

## Sort it out!

Can you sort out your toys, clothes, buttons, plants or pens?

Did you sort them in colours, shapes or something else?

Count how many in each group? find a way to record your findings

## Go out and about

Can you be a spring detective? Have you spotted any signs of spring? What did you see?

## Where does it come from?

Look at all the fruit and vegetables you eat. Where do they come from? Did you buy it, pick it or grow it? Was it underground, on a tree or on a bush? – Record all that you know.

## Sound Hunt

Try being a sound detective.

ee oo oa ai ow ar oi or ur er

Can you find the 'otwo letters one sound' digraphs we are learning at school?

They may be hiding in a book, in a newspaper or even on your cereal box?

## Term 5

### Wonderful World

### Home Learning Ideas

## Write an instruction?

Have you made something amazing or played a new game or learnt a new skill?

Can you draw and write some instructions to show your friends /family how to do the same?

## A challenge

Set yourself a Creative Challenge – can you make up your own dance or movement pattern to your favourite song? – bring your favourite CD or track into school to share with the class – may be they can help you think of some movements.
